

# Community Walk-In Session

## Visiting Speech Pathologist & Clinical Psychologist

Norfolk Island Special Education Development Unit is holding a community walk-in session to provide information for parents & carers.

Lynn Rodgers (visiting Speech Pathologist) will be available to answer questions about speech and language development, language assessment, and intervention.

Wendy McLean (visiting Clinical Psychologist) will be available to discuss child development, behaviour, assessment and intervention strategies.

NISEDU Representatives will also be available to assist community members.

Saturday, 15<sup>th</sup> June

Banyan Park Pre-School

2-4pm

There will be a brief presentation by Lynn and Wendy at 3pm but community members are welcome to drop in at any time during the session to ask questions about assessments, interventions or the referrals.
