

## Norfolk Island Active Kids Program

Just a reminder to get your NI Active Kids vouchers for the 20/21 year. This program is designed to encourage and support school aged children living on Norfolk Island to be physically active. NIHRACS and NI-Connect work together to administer and promote this program.

All children currently enrolled at the Norfolk Island Central School are eligible to receive a \$100 NI Active Kids Voucher. This \$100 voucher can be used for their choice of one sport or other activity provided by registered local providers on Norfolk Island within a 12 month period. Current vouchers need to be redeemed by 30 June 2021.

If you are involved in a sport or other activity for kids and haven't yet registered as a NI Active Kids provider, please contact Karen Innes-Walker on [karen.walker@hospital.gov.nf](mailto:karen.walker@hospital.gov.nf) or call 22687 for more details.

Registration forms are available on the NIHRACS website ([www.norfolkislandhealth.gov.nf](http://www.norfolkislandhealth.gov.nf)) and forms can be dropped off and vouchers collected from NI Connect at the Bounty Centre.

## Breast Screen Clinic 25 February – Monday 1 March

A reminder about the upcoming Breast Screening clinic to be conducted by Sydney Breast Clinic. The clinic will be held at the Hospital from Thursday 25 February until Monday 1 March. Please call the GP Clinic on 22091 for an appointment.

Women aged 40 and over should have a screening mammogram every two years. Those who have the BrCa gene, or who have been advised to do so at their last screening, should have a screen every year.

## General Practice Clinic Update

Due to the current restrictions due to the risk of COVID-19 the main entry to NIHRACS is currently locked however the General Practice clinic is still open for business for all your health care needs and our emergency department is still operating. To decrease the risk of COVID-19 our processes have changed and Medicare is providing funding for telephone consultations where our Doctors can provide their services without you having to present to NIHRACS. It is a legislative requirement that GPs and Other Medical Practitioners (OMPs) working in general practice can only perform a telehealth or telephone service where they have an established clinical relationship with the patient. There are limited exemptions to this requirement. If the assessing Doctor decides you need further medical intervention they will inform you on what to do next. To book appointments please phone our reception on 24134. Please continue to help us to reduce the risks of coronavirus on our small community by taking advantage of our telehealth services.

Please note the clinic is closed for lunch from 12.30 – 1.30pm.

Please call 22091 for appointments only during opening hours.

If you require medical assistance outside business hours please phone the hospital on 22091. In cases of emergency please dial 000.

### **GP Staffing Update**

The following locum GP's will be joining our team:

Dr Samuel Jones 19<sup>th</sup> October – 30<sup>th</sup> June

Dr Irene Kircenow 1<sup>st</sup> February – 15<sup>th</sup> February

Dr Alice Wu 2<sup>nd</sup> February – 26<sup>th</sup> February

### **Upcoming Clinic/Specialist Appointments**

Please note that all specialist appointments will require a referral letter from your GP prior to booking an appointment.

Smoking Cessation Clinic Every Tuesday afternoon (no referral required)

Nutrition and Dietetics Clinic Every Thursday afternoon

Prof Gonski (Geriatrician) Every Friday afternoon

### **How long should you book your appointment for?**

Most appointments with your GP only require 15 minutes. If you have multiple issues or you think they are complex and will require extensive discussion, please let our receptionist know that you would like a **long appointment**. This will ensure you have the time needed with your GP and will assist us in managing the GPs time and patient flow.

### **Updating Your Details**

When you next visit the GP Clinic you will be asked to update your details. This is to maintain accurate information on your medical record and therefore assist with your consultation. Please arrive for your appointment 5 minutes prior to your appointment to allow time to complete. We thank you for your assistance in this important task.

### **Test Results and Referrals**

Test results can be obtained in a booked consultation. Referrals to specialists must be made during a consultation.

### **Walk-ins**

The GP Clinic operates on an appointment basis. Walk-ins are accepted, however there may be an unavoidable wait as priority is given to patients who have a booked appointment with their Doctor. All patients should present to reception with their current Medicare Card. At times you may experience a waiting period due to doctors tending to urgent or complex medical issues. We apologise for any inconvenience.

### **Skin Check Clinic**

As part of a complete early detection strategy, we recommend that you see your GP once a year, or more often if you are at a higher risk of skin cancer, for a full-body, professional skin exam. To make a booking please mention 'skin check' when making the appointment – phone 22091.

### **Women's Wellness Clinic**

The Women's Wellness program continues. Interested women of all ages are encouraged to book an appointment (lasting forty minutes) with Dr Jenny Sexton on Tuesday or Thursday. Please mention 'Women's Wellness' when making the appointment – phone 22091.

### **Child Health Clinic**

Child Health Clinic will now be run from the GP Clinic every Thursday, 8:30am to 4pm by Janine. This clinic is for 0 – 5 year olds and includes: Developmental Assessment, Baby Growth Checks, Emotional and Social Development, Breastfeeding Support, Settling/Sleep Support and Introducing solids.

### **Smoking Cessation Clinic**

It's hard to stop, but with help and support, you **can** quit smoking.

Quitting smoking can be one of the most difficult, yet rewarding, things a person can do. Most smokers say they would like to quit, and may have tried at least once. Some are successful the first time, but others try a number of times before they finally give up for good.

It might take time, it can be hard as your body has become dependent on nicotine, but many people have succeeded in giving up smoking. Become one of them by making a quit plan

The clinic will provide a proven approach to assisting people who wish to either quit smoking or cut down. Every cigarette not smoked is doing good for smokers' health. The clinic uses a multidisciplinary approach to match individual needs.

To make a booking for the smoking cessation clinic call the GP Clinic on 22091.

### **Heart Health Check**

Do you know what your risk of having a heart attack or stroke is? Having a regular Heart Health Check with your GP will help you better understand your risk of a heart attack or stroke.

Most importantly, your GP and nurse can support you to lower this risk. A Heart Health Check is a 20-minute check-up with your GP to assess your risk of having a heart attack or stroke.

Anyone 45 years and over or 30 years and over for Aboriginal and Torres Strait Islander peoples should have a regular Heart Health Check with their doctor.

To make a booking for a heart health check please call the GP Clinic on 22091.

**All patient information is treated as confidential**
