Basketball Program

With the days being longer and warmer, and taking on board feedback about the days/times of the Basketball Program, we have made some changes:

Skills clinics at the school basketball court:

Saturday's

4 – 5pm primary school years 2-8 (mixed - boys and girls)

Tuesday's

6 – 7pm high school year 9+ and adults (mixed - men and women)

NI-Connect, NI Central School, Oliver Holm and the NIHRACS' health and wellbeing team are working together on this program. We thank everyone who has come along so far and invite others to give it a try.

Due to the success of the **come and try basketball** sessions so far, we are looking for those interested in starting up a **mixed social competition for ages 7 and up** during Term 4.

Please make sure you put your name and details down at the skills clinics or send a message to Ann Pataki on ann.pataki@keyassets.org.au or call 23380 to let us know you are interested in joining a team. Once we know numbers we will communicate back with team and game time details.

If you would be interested in helping out by coaching or refereeing (no experience required) then please send a message too as we need your support. Thank you to those who have already offered to assist.

Get Tested – COVID-19

Long gone are the days when we'd leave the home with a sore throat or sniffling nose. Norfolk has done a phenomenal job of coming together and doing the right thing.

Testing is so important to finding cases of COVID-19 in the community, so if you do have a tickle in your throat or a symptom that seems mild, come and get tested even if you have been vaccinated. To book appointments please phone our GP Clinic reception on 24134. Please continue to help us to reduce the risks of coronavirus on our small community by taking advantage of our telehealth services.

Test results can be obtained in a booked consultation. Referrals to specialists must be made during a consultation.

The GP Clinic operates on an appointment basis. Walk-ins are accepted, however there may be an unavoidable wait as priority is given to patients who have a booked appointment with their Doctor. All patients should present to reception with their current Medicare Card. At times you may experience a waiting period due to doctors tending to urgent or complex medical issues. We apologise for any inconvenience.
