

Are you looking for a sea change and a better quality of life whilst expanding your experience? Norfolk Island offers a relaxed lifestyle surrounded by sandy beaches, rolling hills, Norfolk Island pines and spectacular scenery. Living and working on Norfolk Island you become part of the community.

At Norfolk Island Health and Residential Aged Care Service (NIHRACS) we are looking for a:

GENERAL PRACTITIONER – VR - Non-VRN NORFOLK ISLAND

NIHRACS is a multipurpose service including a General Practice Clinic, Outpatients, Emergency Service, Acute Beds and Residential Aged Care and is seeking a General Practitioner to provide GP and GP VMO services.

SELECTION CRITERIA:

- Current Registration with AHPRA as a Medical Practitioner;
- Discharge of duty of care in the course of practice including meeting practice standards and accountability;
- Demonstrate knowledge of policies and procedural guidelines;
- Demonstrated patient-focused approach in service provision with genuine empathy and interest in patient needs;
- Excellent interpersonal and communication skills across all ages and social groups;
- Demonstrated commitment to ongoing professional development;
- Possession of current driver's licence.

The successful candidate will have advanced emergency medicine skills.

Includes attractive remuneration package including medicare billings, clinical stipend, VMO earnings, travel allowance, education and training support, car and accommodation allowance. Collaborative support provided by SESLHN, CESPAN, NSWDRD and Department of Infrastructure, Transport, Regional Development and Communications.

Please forward a cover letter addressing the selection criteria along with your CV and contact details of two referees to Kathleen Boman, NIHRACS Manager
