

NIHRACS - Position Vacant

NIHRACS has a vacancy for a Phlebotomist. This is a temporary part-time position.

The purpose of this position:

Norfolk Island Health & Residential Aged Care Services (NIHRACS) is committed to improving the care provided to our patients in line with our vision of Working together to improve the health and wellbeing of our community.

The blood collector will be performing blood collections from both inpatients and outpatients of Norfolk Island Residential Aged Care Service and its community.

Efficient collection services will increase patient care/ treatment and flow, leading to a high level of patient care.

The person will need to meet the following selection criteria:

1. Certificate III in Pathology Collection within the last 12 months or recent/past venepuncture experience.
2. Demonstrated clear written and verbal communication skills with focus on customer service.
3. Demonstrated knowledge of the application of infection control principles to the role.
4. High level verbal and written communication skills and ability to follow directions and meet specified time schedules.
5. Ability to work efficiently within a multidisciplinary team with excellent interpersonal skills.

Award: Health Employees (State) Award

Please forward a cover letter addressing the selection criteria along with your CV and contact details of two referees addressed to Kathleen Boman, Manager NIHRACS via email: kathleen.boman@health.nlk.gov.nf
