

Casual Support Services Team Member

Norfolk Island Health and Residential Aged Care Service (NIHRACS)

NIHRACS is currently seeking a Casual Support Services Team Member to provide coverage during periods of leave and rostered days off. Morning, afternoon and weekend shifts may be required.

NIHRACS is the major provider of health and aged care services for Norfolk Island residents and visitors. It is an equal opportunity employer, focused on recruiting, training, and supporting its people to deliver the best possible outcomes for the community it serves.

The selection criteria for this position is as follows:

- previous experience highly regarded in a cleaning, laundry and/or kitchen assistant position within a healthcare facility, or a similar role in a commercial environment. Training will be provided.
- fitness to undertake physical manual handling tasks.
- demonstrated the ability to acquire knowledge of infection control principles.
- the ability to follow directions and meet specified time schedules.
- a willingness to learn and follow procedures applicable to working in a healthcare facility.
- to be self-motivated and work effectively with minimal supervision.
- to work effectively in a team environment and relate well with co-workers.

Award: Health Employees (State) Award

To apply for this role, please send your CV and a letter addressing how you meet the selection criteria to HR@health.nlk.gov.nf

The closing date for this job application is 15 May 2026.
